

Dear Parents,

We are fortunate to have a great outdoor space at Kingsland Community Preschool. We will often spend some time outdoors in the field next to and behind the building. There is a small playground across the street that we would like to take the children occasionally. We would also like to go for short walks around the neighbourhood when the weather is good.

Please be aware that you will be notified before we leave the Kingsland Community Centre field.

In order to ensure that our insurance remains valid the Preschool Committee asks that each parent sign a permission slip.

Thank you,
Nancy Eckart
